With more Grand Prix events in 2012 it means that there are more Grand Prix Trials to run. I've just scheduled the first batch of trials for Atlantis. So we scheduled 8 new events so far. Some are even Sealed Booster events. The constructed events will be FREE to play in too. Everyone likes free right? Sealed events will be \$25.00 to play and if we get more than 24 players then we will top 8 draft for no extra charge.

Event dates are as follows:

- December 31st 2011 GPT Lincoln: Standard, Location: Portsmouth, Entry: FREE
- January 1st 2012 GPT Lincoln: Standard, Location: Norfolk, Entry: FREE
- January 7th 2012 GPT Baltimore: Sealed, Location: Portsmouth, Entry: \$25
- January 8th 2012 GPT Baltimore: Sealed, Location: Norfolk, Entry: \$25
- January 14th 2012 GPT Indianapolis: Standard, Location: Portsmouth, Entry: FREE
- January 15th 2012 GPT Indianapolis: Standard, Location: Norfolk, Entry: FREE
- February 11th 2012 GPT Seattle: Sealed, Location: Portsmouth, Entry: \$25
- February 12th 2012 GPT Seattle: Sealed, Location: Norfolk, Entry: \$25

As an added bonus we will also be tracking PWP points for all players in any GPT Atlantis runs from now until the Baltimore Grand Prix. We will be paying for a hotel room for the the top 2 players of these 8 GPTs.
