December is going to be a month full of deals. Partly as thank you to all our customers that made 2011 such a good year for us and partly to clear some items so we have less things to move during the Norfolk store relocation. Check back each Monday to see what new deals will be available for the following weekend. This weekend's deals are listed below with the monthly deals after that as a reminder.

These deals are in effect for Dec 9th to Dec 11th:

- All Board Games are 20% off
- All Non Collectible Card Games are 20% off
- All Living Card Games are 20% off

The following deals are in effect for the entire month of December:

- All USED RPGS are 50% off for the entire month of December
- All Boxed Back Issues are \$1.00 each
- ALL Games Workshop blisters (non-finecast) are 50% off
